

# Club Set Up for the 2017 Season Setting up Terms and Conditions

Setting up Terms & Conditions Terms & Conditions (T&Cs) can be setup by Clubs and must be accepted through the registration process either when self-registering or through registration by registrar. FFA has standard T&Cs that cover player registration set up in the system. Clubs can upload T&Cs that cover areas such as grading policy, acceptance of social club membership etc. Once T&Cs are accepted by a player they are locked and cannot be changed until such time as the Valid to Date expires. T&Cs are made available to Players based on their age – either Youth (up to 18 years of age) or Senior (over 18 years of age).

#### Tips and Considerations

- We advise that you develop your T&C's in Microsoft Word and then cut and paste into the T&C's which will be highlighted in the steps below.
- Once you have created your T&C's in the system, and this has been registered against you by a player, you will not be able to edit the content of the T&C's. You will be able to change the Valid To and Valid From dates at any time.
- Please note you will have to create T&C's for junior separate to the T&C's for seniors. This can be the same set of T&C's.
- Note: Any links or URL's you wish to enter in your T&C's will be clickable as hyperlinks when surrounded by the syntax << ... >>
