

FUTSAL REPRESENTATIVE COACHING OPPORTUNITIES FQ FUTSAL METRO TEAMS

Football Federation Australia has advised that the National Futsal Championships will be held in Canberra in January 2018, the exact dates of which are still to be finalised by the host.

Football Queensland intend to nominate teams in the age groups listed on the application form. Teams will be nominated in both male and female wherever possible and are now seeking applications from qualified persons to coach the Metro representative teams. These coaches will be required wherever possible to be involved in the 2017 FQ Futsal State Titles on the Easter Weekend from the 15th to the 16th April 2017 as selectors. They will also be expected to attend coaching meetings and training where applicable throughout the year, and weekly squad training and final team selection during October to December as well as travelling with the teams to and from the National Titles in January 2018.

All travel, accommodation and meals are provided as well as a remuneration payment for their services. Football Qld also provide apparel for all coaches to wear whilst performing their duties.

Aspiring coaches must have achieved, or be enrolled to complete, an FFA Community Futsal Coaching License. They will also be required to hold the relevant CCYPCCG Blue Card and abide by the Coaches Code of Conduct and Football Queensland Policy and Procedures.

The attached form must accompany the application. All applications must be submitted in writing or by email to trevore@footballqueensland.com.au by close of business Friday 31st March 2017. The selected coaches will be advised by Wednesday 5th April 2017.

Regards
