How to Set Up Packages for Senior Players in 2018 Outdoor Season

The following Steps need to be followed to correctly set up Club Player Registration Fee Packages for the 2018 Outdoor season. Please make sure they are checked BEFORE you make them available to Online Self Registration as the package is not able to be changed AFTER someone has registered to the package.

Step 1 - Check That Age Groups Are Still Applicable For the Coming Season

- Age groups are an important component within the MyFootballClub system. They determine which registration packages players/coaches/volunteers see when they register.
- Care should be taken when setting up age groups. We strongly recommend that you follow the age groups setup within your Zone's or Club fee structure e.g.:

Fee Segment	Minimum Age	Maximum Age
Miniroos	5	12
Juniors	12	18
Seniors Over 18	18	99
Coaches /Volunteers	16	99
Over 35's/Legends	34	99
Club Referees	14	99

- Age groups will carry over from the previous season however it is worth reviewing them to ensure that the **Age Groups match your Zone or Clubs fee structure** (e.g. If you charge one fee for 6-11 Year Olds and a different fee for 12-18 Year Olds, set up 2 age groups to match. This makes managing your fee packages easier).
- The age groups used in previous seasons cannot be deleted for audit. It is recommended any age groups you are not using be renamed as *-old* or something similar so you can tell which are in use (e.g. **Squirts - old**).
- For more tips on Age Groups see:

Step 2 - Fee Package Set Up

1. From the main menu of MyFootballClub, click on the  button.
2. Click on the  button.
3. Set up the required fee. The way Fee Packages are set up varies depending on the Competition (e.g. Outdoor, Social or Futsal) and Participant Role (i.e. Player, Coach, and Volunteer). Each variation will be shown below:
