b) Any players wishing to play above or below their eligible age group must submit a Dispensation Request Form to Football Queensland during the applicable time window communicated to the Clubs.

c) This is only available for a player born in the calendar year directly above. E.g., a player born in 2011 (turning 15 in 2026), may request to play down in the U14s for 2026, however a player born in 2010 cannot.

d) Any requests to play two or more years below a player's eligible age will not be considered.

e) No team may have more than 2 players playing below their designated age group (e.g., an U14 FQ Academy League 3 team may not have more than 2 players born in 2011 (15 years old) in their team). The exception to this rule is for Girls Only teams, where a maximum of 3 players can be granted dispensation into a team, upon application.

f) Clubs may seek dispensation for the following reasons:

- Physical size.
- Playing below their designated age group due to being born in the last 3 months of the year.
- Playing below their designated age group for social/cultural grounds.

g) If approved, Football Queensland Competitions will then confirm the decision in writing to the relevant Club. Please note that until approval is provided, the player CANNOT participate in matches in the lower age group as an Eligible Player.

h) If dispensation is granted for a player to play down an age group, said player may be unable to be borrowed into another team in their original age group or higher divisions within the younger age group under any circumstance at any point throughout the season. If a player is found to have been borrowed into any teams in their original age group or higher divisions in the younger age group without approval from Football Queensland, they will be deemed to be an Ineligible Player.

i) Football Queensland reserves the right to revoke any dispensation approval regarding a player playing below their designated age group at any point in time.

j) There is no opportunity for a player to participate two or more years above their eligible age group in Junior Competitions. The only exception to this rule is in the combined FQ Academy Girls (SEQ) age groups, where players from the higher year bracket of their current double age group who wish to play up either permanently or as a borrowed player must complete the Dispensation Request Form.

k) All cases of girls wishing to play permanently in the FQ Academy Boys competitions (SEQ) must also complete the Dispensation Request Form for a determination from FQ.

l) The decision of Football Queensland on whether to allow a dispensation for a player to play outside of their designated age group will be final and not subject to appeal.

m) Clubs may apply to Football Queensland to allow an exception to these restrictions in extraordinary circumstances for a particular match or for the full season. The decision of Football Queensland regarding the granting of an exemption will be final and not subject to appeal.

3.1.4 Specific Dispensation

a) A player may apply for permanent dispensation in the following circumstances:

   i. boys turning 19 years of age seeking to play in the U18s;

   ii. girls turning 18 years of age seeking to play in the U17s.

b) Such dispensation referred to above shall only be allowed in exceptional medical circumstances and where supported, by medical and other specialist evidence deemed appropriate and necessary by Football Queensland.

c) The decision of Football Queensland as to dispensation shall be in its absolute discretion and shall be final.

d) A player's playing ability shall have no bearing on the decision of Football Queensland.

e) There is no process to review the decision of Football Queensland as to dispensation.

f) The application and determination process is confidential.

3.2 Playing Across Competitions

a) All players will be graded into the team in which they play their first regular season league fixture of the season, unless FQ is notified prior to doing so through the submission of a Dispensation Request Form. Once a player has been graded to a team, they are not eligible to participate in any competition lower than the one they are graded to, unless approval has been given by Football Queensland.

b) The following conditions apply to player movement between and into senior competitions.

   Players graded as part of a senior community team are eligible to play for the same Club's NPL/FQPL Squad if they registered before or during the relevant Registration Periods (See section 2.5). Players may be borrowed into the NPL/FQPL squad for a maximum of 6 games. On the 7th occasion, the player is regraded to the NPL/FQPL squad and is ineligible to go back to the community team.

   If being borrowed into a Club's NPL/FQPL1 Men's First Team and the player is born in 2002 or earlier, they must be included on the Player Roster. If the player is being borrowed into a Club's NPL/FQPL 1 Men's First Team and is considered a Visa Player, they must also be included on the Player Roster and adhere to Visa Player restrictions in place. The updated Player Roster must be submitted to FQ at least 36 hours before kick-off and must be approved before the player takes the field of play.

   Clubs with senior teams across different divisions covered by this RoC (NPL-FQPL 2 Men & Women), may not borrow players between those squads without permission from FQ prior to doing so. All players registered to the Club must be nominated to a particular squad via the Player Rosters and submitted to FQ prior to the season.

c) The following conditions apply to player movement between and into junior competitions.

   Age eligible players graded as part of an U18 Boys, or U17 Girls team are able to be borrowed without restriction into NPL/FQPL squads (U23 and First Team).

   Players who are graded into FQ Academy Junior teams are able to be borrowed into higher divisions in the same age group, and a maximum of 1 division lower if being borrowed into an age group higher, but may only do so for a maximum of eight (8) matches. The maximum number refers to the total number of matches played up and not to each team they may play in, including games borrowed into community senior competitions. Please refer to the Appendix in Section 10 for tables outlining the permitted borrowing of players across competitions.

   Players graded into community junior teams are permitted to be borrowed into FQ Academy Junior teams within the restrictions outlined in the Statewide Rules of Competition.

   Players are not permitted to be borrowed from mixed teams to specific boys or girls teams, vice versa, or between Boys and Girls specific competitions without the consent in writing of Football Queensland in response to a submitted AD Hoc Dispensation Form. The decision of Football Queensland shall be in its absolute discretion and not subject to appeal.

   If a player graded into an FQ Academy League team plays more than eight (8) matches for any higher divisions or age groups, that player is no longer eligible to play in their original team (including finals) and will automatically be regraded into the higher division. Should the player have played for

multiple divisions the player will be regraded into the team in which they have played the greatest number of borrowed games, or the highest of those divisions if the number of games is equal.

Once the player is regraded into a new division, all previous borrowed games in any higher division will remain as part of the player's borrowing tally. Should the player exceed their borrowing total in higher divisions the player will further be regraded into the higher division.

In the FQ Academy 1 U13 Boys Leagues, players graded in the McKain competition are permitted to be borrowed into the McKay competition within these borrowing limitations, however no players who are graded as part of the McKay competition are permitted to be borrowed into the McKain competition or any lower divisions.

d) Clubs participating in the FQ Academy League 1 Competition may only list a maximum of three (3) players playing above their eligible age in any given fixture. Any club who breaches this provision may be deemed to have fielded an ineligible player and be subject to disciplinary action including the possible forfeiture of the fixture.

e) Players may appear on a maximum of two (2) teamsheets per match day in junior fixtures (U18 and below). Any player found to have appeared on more than two (2) junior fixture teamsheets on a given day will be deemed ineligible for the third and subsequent fixtures on that day.

f) Clubs may apply to Football Queensland through to allow an exception to these rules in extraordinary circumstances using the Dispensation Request Form followed by an email to FQ Competitions.

g) Any application to borrow players outside of allowable borrowing rules are to be sent to Football Queensland, no later than 5pm of the Thursday prior to the commencement of a team's match. Any applications submitted after the 5pm deadline will not be considered until the following Monday. Any Players found to have been borrowed without permission will be deemed Ineligible Players and subject to the Penalties and Outcomes as per section 2.3.

h) The decision of Football Queensland will be final on whether to allow an exception. There shall be no appeal from the decision of Football Queensland in respect of the granting of an exception.

i) The exception to these player movement regulations is for the players registered for any QLD State Team or QAS teams who may move freely between age groups for the purposes of player development. Eligibility of QLD State Team or QAS players for finals will be subject to approval from the FQ Competitions Team prior to the commencement of the Finals Series.

j) For 2026, Brisbane Roar A-League Women contracted players turning 23 or under in 2026 may be borrowed down into the QAS squad for NPL Women fixtures, however these players must meet the definition of an Australian Player (refer Section 2.8) and be appropriately noted on the QAS Player Roster prior to taking the field.
