Expressions of Interest

Club Coach Support · https://footballqueensland.com.au/Resources/program-information/

FQ Community Coach Support (CCS) initiative is designed to provide community football coaches with a simple and clear coaching plan. Coaches will work from a central development plan that is supported by FQ Club Development Ambassadors.

Within the (CCS) is a full Discovery, Skill Acquisition and Game Training Phase coaching resource designed to provide ongoing assistance to further develop community coaches in Queensland.

Clubs interested in accessing the CCS resources can complete an EOI form here.

To find out more about the CCS program, fill out the expression of interest form or contact: jasonm@footballqueensland.com.au.
