

STIMULUS PACKAGES AND SUPPORT FOR QUEENSLAND CLUBS AND ZONES

STAYING CONNECTED

Football Federation Australia (FFA) and Football Queensland (FQ) have developed a number of at-home programs to keep participants active and engaged in football from home. Football Coaches Australia (FCA) also has support services available to coaches at all levels of the game.

FFA Football Skills Hub

The FFA Football Skills Hub has been launched by FFA and Member Federations as part of the #PlayAtHomeChallenge

Progress through the varying difficulty levels of the four core football skills. There are 12 challenges that can be undertaken within the four categories; first touch, striking the ball, running with the ball and 1 v 1.

FQ Home Skills Program

Football Queensland has developed a series of short videos to show participants how they can refine their football skills from home.

An FQ coach leads each session, talking participants through how to perform a specific drill and how it can help develop a player's football skills and technique.

The FQ Home Skills program will be available to watch on the FQ website and social media channels.

Football Coaches Australia Support Services

Football Coaches Australia (FCA) provides Advanced Licence and community coaches with the following support services:

- Advocacy (incl. best terms and conditions Employment Agreement)
- Wellbeing
- Personal development

OVERVIEW OF SUPPORT

All levels of government have recently released information on a variety of stimulus packages to support businesses and community organisations affected by COVID-19.

Football Queensland has begun compiling information on a number of stimulus and relief packages that may be relevant to Queensland football clubs and zones.

All clubs and zones are encouraged to research the stimulus packages announced by all levels of government to determine eligibility for financial support under each stimulus program.

Clubs and zones can also monitor government websites through the links in this document to find updated information on government assistance.

Last updated April 2 2020

FEDERAL GOVERNMENT

For a full list of federal government stimulus packages visit the Australian Government Treasury website.

Boosting cash flow for employers

Key Points

Federal Government is providing up to **\$100,000** to eligible small and medium-sized businesses and not-for-profits that employ people .

The minimum amount provided across two payments will be **\$20,000**.

Payments will help cash flow so businesses and not-for-profits can continue operating, paying bills, and retaining staff.

Who is eligible?

Not-for-profit entities with aggregated annual turnover under \$50 million that employ workers.

Small and medium-sized business entities with aggregated annual turnover under \$50 million that employ workers.

\$100K
ELIGIBLE

\$20K
MINIMUM

NOT-FOR-PROFIT
ENTITIES

SMALL
BUSINESSES

MEDIUM
BUSINESSES

What payment can my business/not-for-profit entity receive?

Employers will receive a payment equal to 100 per cent of their salary and wages withheld, with a maximum payment of \$50,000 and a minimum payment of \$10,000.

An additional payment is being introduced in the July – October 2020 period. Eligible entities will receive an additional payment equal to the total of all the Boosting Cash Flow for Employers payments they have received.

This means that eligible entities will receive at least \$20,000 up to a total of \$100,000 under both payments.

How will payments be delivered?

The payment will be delivered by the ATO as an automatic credit in the activity statement system from 28 April 2020 upon employers lodging eligible upcoming activity statements. Lodgement of business activity statements should be prioritised in order to receive payments.

Increasing the instant asset write-off

Federal Government is increasing the instant asset write-off (IAWO) threshold from \$30,000 to \$150,000 and expanding access to include all businesses with aggregated annual turnover of less than \$500 million until 30 June 2020.

The higher IAWO threshold provides cash flow benefits for businesses that will be able to immediately deduct purchases of eligible assets each costing less than \$150,000.

The threshold applies on a per asset basis, so eligible businesses can immediately write-off multiple assets.

The IAWO is due to revert to \$1,000 for small businesses (turnover less than \$10 million) from 1 July 2020.

Applies until 30 June 2020, for new or second-hand assets first used or installed ready for use in this timeframe.

JobKeeper payment

Businesses that have been significantly impacted by COVID-19 will be able to access a wages subsidy to continue paying employees.

The JobKeeper program will enable employers to claim a fortnightly payment of \$1,500 per eligible employee from 30 March 2020, for a maximum of six months.

Not-for-profit entities and self-employed individuals that meet the turnover tests that apply for businesses are eligible to apply.

Employers will be eligible for the subsidy if:

- Their business has a turnover of less than \$1 billion and their turnover will be reduced by more than 30 per cent relative to a comparable period a year ago (of at least a month); and
- The business is not subject to the Major Bank Levy

Eligible employees are employees who:

- Are currently employed by the eligible employer (including those stood down or re-hired);
- Were employed by the employer at 1 March 2020
- Are full-time, part-time, or long-term casuals (a casual employed on a regular basis for longer than 12 months as at 1 March 2020)

Employers can register their interest in applying for the JobKeeper Payment via ato.gov.au from 30 March 2020.

The first payment will be received by employers from the ATO in the first week of May.

STATE GOVERNMENT

Payroll Tax Relief

Immediate payroll tax refunds of \$740 million for COVID-19 affected businesses.

A payroll tax holiday and deferral until the end of 2020 for eligible businesses.

All small and medium businesses (payroll up to \$6.5 million) in Queensland will be eligible for:

- A two-month refund of payroll tax
- A three-month payroll tax holiday
- Deferral of all payroll tax payments for the rest of 2020

Electricity Bill Relief

Sole traders, small and medium businesses will get a \$500 rebate on their power bill.

Any business consuming less than 100,000 kilowatt hours will receive the rebate, which will automatically be applied on business electricity bills.
