Acknowledgement of Country

Football Queensland acknowledges the First Nations people whose lands we play on. We embrace the Traditional Owners' continued cultural and spiritual connection to Country and pay respect to their ancestors and descendants who continue to inspire us.

Welcome to Queensland's Largest Football Carnival, WinterFest.

On behalf of Football Queensland, I'm delighted to welcome you to our FQ headquarters here at Meakin Park for the inaugural WinterFest event.

Held across four days and encompassing 18 fields, WinterFest is set to be a wonderful celebration of our beautiful game, with something for all members of the family to enjoy.

The SAP State Carnival will welcome over 180 teams from across the state to participate in more than 860 matches as some of Queensland's most promising young footballers showcase their skills.

Alongside the SAP State Carnival, we're excited to provide an opportunity for all members of our football community to get involved in the activities on offer both on and off the field, whether it be Walking Football, MiniRoos holiday clinics and coaching courses or the FIFA eSports pop-up zone.

A special thank you to Logan City Council for their support of our inaugural WinterFest event.

We're looking forward to welcoming Queenslanders from across the state to Logan for what is set to be a fantastic four days of football, and I hope to see some of you around the grounds throughout the event.

Robert Cavallucci
FQ Chief Executive Officer

As Mayor of the City of Logan, I welcome you and your family to Logan for WinterFest 2021. We are proud to sponsor Queensland's largest football carnival drawing 180 teams from around the state to play more than 860 games across four days. The program is jam packed with great activities including Walking Football for the young at heart and MiniRoos holiday clinics for the kids and the SAP State Carnival.

I'm passionate about sport and here at Logan we have a proud sporting culture. Sport plays an important role in our community, whether it's competitive or for pleasure. It's a great way for kids to learn teamwork, responsibility, perseverance and discipline. Carnivals such as WinterFest are a great event for the whole family and I encourage football fans to get along to Meakin Park to experience the atmosphere of live games and enjoy the variety of offerings from the food trucks on site.

Logan is proud to support events that promote active and healthy lifestyles and contribute so much to our great city.

We can't wait to welcome you to our wonderful part of the world.

Mayor Darren Power
Logan City Council Mayor

I'd like to welcome all participants and families to Logan for this week's SAP State Carnival.

The regional Skill Acquisition Phase (SAP) and Talent Support Programs (TSP) are important stepping stones within Football Australia's youth development system. SAP and TSP carnivals are excellent opportunities to test players' skills and game understanding against other regional centres, and essentially the most committed and talented players across the whole state.

It is also exciting that the return of national competitions in 2021 will provide further opportunities for our athletes in Queensland who always take great pride in representing the state in maroon colours. I would like to underline that talent development is a long term process and for us, all players in our pathway programs are equally important.

I wish you a great carnival and I am looking forward to observing the performance of some future Matildas and Socceroos.

Gabor Ganczer
State Technical Director
