- c) In the event no registered match official is present to take charge of the match, then the designated "Home" club shall consult the visiting team and appoint a match official to take charge of the match. This match official has the same powers as a registered match official;
- d) All clubs are obligated to fulfill all fixtures regardless of whether the appointed match official is present to take charge. Should any club fail or refuse to participate in any fixture on the above grounds, then:

Rules pertaining to the borrowing of players from higher/lower divisions

Men's Senior Competitions – FQPL Northern Men, FQPL Northern U23 Men, Northern Division 1 Men, Northern Division 2 Men

The rules below apply to the Men's Senior Competitions listed above only.

- A senior men's player is a player who is not either a FQPL U18 player or an eligible junior player playing in senior competitions
- A senior men's player will be graded into the division in which they play their first match of the regular season. (Exception: See below two teams participating in the same competition) Once graded, a senior men's player is permitted to play any

division level above his grading and one (1) division below his grading as determined by their first match of the regular season.

- The movement of senior men's players between divisions is restricted to a maximum of (5) senior men players from one fixture match to the next for the regular competition rounds.
- A senior men's player will be regraded to the higher division after exceeding the maximum eight (8) matches in any higher division. The maximum number of matches refers to the total number of matches played up and not to each team they may play in.
- When the abovementioned occurs, this will alter the senior men's players division for the purpose of playing up and down. E.g. senior men's player initially graded as Northern Division 1. Could participate in all divisions above and below in Northern Division 2 Men's. When playing his ninth game in FQPL Northern U23 Men's he is regraded to that competition and is therefore now eligible to play FQPL Northern Men and Division 1 Men. No longer permitted to participate in Northern Division 2 Men's competition.
- When moving between competitions a senior men's player is not restricted to a team they can play for when the club has two teams participating in the same competition. A FQPL Northern Men's player may play in either team in the Northern Division 1 Men's competition and a Northern Division 1 player may play in either team in the FQPL Northern Men's competition.
- A senior men's player however cannot play for both teams in the same competition in the same round.
- Eligible U18 FQPL and Juniors playing in Senior Men's competitions are not graded and are not restricted in moving across divisions

Women's Senior Competitions – FQPL Northern Women's, Northern Division 1 Women's

The rules below apply to the Women's Senior Competitions listed above only.

- A senior women's player is a player who is not either a U18 player or an eligible junior player playing in senior competitions
- A senior women's player will be graded into the division in which they play their first match of the regular season. (Exception: See below two teams participating in the same competition)
- Senior women's players may play between the FQPL Northern Women's and Northern Division 1 Women's Competitions during the regular season.
- The movement of senior women's players between divisions is restricted to a maximum of five (5) senior women players from one fixture match to the next for the regular competition rounds.
- The movement of a senior women's player between competitions throughout the regular season is limited to a maximum of eight (8) matches in any division. The maximum number of matches refers to the total number of matches played up and not to each team they may play in. The senior women's player will then be regraded to the higher division and can no longer move between the two divisions.

- When moving between competitions a senior women's player is not restricted to a team they can play for when the club has two teams participating in the same competition. A FQPL Northern Women's player may play in either team in the Northern Division 1 competition and a Northern Division 1 player may play in either team in the FQPL Northern Women's competition.
- Any women's player however cannot play for both teams in the same competition in the same round.
- Eligible female juniors U15 to U18 playing in Senior Women's competitions are not graded.

Two teams participating in the same competition – Men's and Women's

- A senior player will be graded into the team in which they play their first match of the regular season.
- Senior players not starting for either team in the first match of the competition season will be deemed as excess senior players and can move between teams in the same competition with no restriction on the maximum number of games throughout the regular competition rounds. Therefore, treating them in the same way as eligible U18 and junior players playing seniors.
- A senior player who was deemed a starting player in Round 1 of the competition season may only move between both teams in the same competition for a maximum of six (6) games throughout the regular competition rounds.
- Eligible FQPL U18 and juniors playing seniors competitions can move between teams in the same competition with no restriction on the maximum number of games throughout the regular competition rounds.
- A club can only move a maximum of two (2) senior outfield players or two (2) senior outfield players and one (1) senior goalkeeper between teams in the same competition in any one round.
- A senior player however cannot play for both teams in the same competition in the same round.
- All players will qualify to play in the final series for the team they have played the greatest number of games for during the regular competition season. They are not permitted to play in the final series for both teams in the same competition. Finals eligibility rules still apply.

e) Players who are deemed eligible for finals in their respective junior competitive competition can be borrowed into the Senior Teams' final series without restriction. Players must however meet age eligibility rules to participate in Senior Competitions.

Dispensation when returning from long term injury

Clubs may apply to Football Queensland Competitions seeking temporary dispensation for a player who is returning from a long-term injury. If granted, this dispensation will allow a player to return from injury to a lower competition for a capped number of fixtures. A Dispensation Request Form must be submitted, including medical documentation outlining

the players' injury and an injury management plan for the player that dispensation is being sought for.

Rescheduling a competitive season fixture due to COVID

The club must have 4 or more (8 for FQPL Men/23s) players within their team unavailable due to Covid. The team is the one the player is graded to after their first game.

If a player is ineligible to play, they will not be considered as part of the 4-player requirement. A player is considered ineligible if the player is not registered on PlayFootball (including pending).

A player who is currently serving a suspension will not be considered as part of the 4-player requirement. Injured players will not be considered as players unavailable.

The club must be able to supply evidence that the club has 4 or more eligible players unavailable due to covid.

Evidence accepted by FQ may come in the form of the following:

Text message/notification from Queensland health stating the name and confirmed Covid-19 status with the date of test/isolation period.

Close contact by Qld health definitions, that being spent 4 hours in an enclosed space. FQ will only accept someone as a close contact if the club can prove they live with or have shared accommodation with a confirmed case while infectious.

This can be proven by driver's license, PlayFootball registration data or tax invoice/booking confirmation of shared accommodation/transport in combination with the confirmation of the positive case.

If the club can satisfy the above requirements, then they will be eligible for a reschedule. Applications made the day of the fixture with no prior warning, will not be accepted.

Please note this rescheduling protocol, and criteria associated with it, is only applicable to season competitive matches.
