

SOCIAL MEDIA GUIDELINES

Football thrives on the passion of its communities. Our game is fortunate to have so many voices ready to protect and promote the sport at all levels and in every corner. Social media provides the perfect platform to discuss, analyse, appreciate, and question all facets of football.

Our hope is for Football Queensland's own social and digital media presence, in addition to our regions' social media channels, to reflect the positive, exciting, supportive, and inclusive nature of the game.

We have developed several guidelines to ensure the Football Queensland social media channels including Facebook, Twitter, Instagram and YouTube and our region-specific social media channels match those principles.

With your help, we can keep the focus on the pitch by following these guidelines:

- No foul, offensive, aggressive, defamatory, discriminatory or otherwise inappropriate language
- No intimidation, harassment or bullying
- No publicising of private or confidential matters without consent
- No spam or off-topic links, comments or media

Comments that do not follow these guidelines will be deleted and, if repeated, may result in a ban from Football Queensland's social media accounts.

All registered members including players, coaches and referees are also responsible for upholding Football Australia's Code of Conduct and National Member Protection Policy, which includes a Social Media Policy.
