# **SANCTIONING POLICY**

## **1. PURPOSE**

The purpose of the Football Queensland (FQ) Sanctioning Policy is to provide clarity, support and guidance to FQ Football Clubs and Futsal Clubs when hosting events outside the regular football/futsal season. Sanctioning is required for insurance, risk management and football administration purposes. The insurances provided by Football Queensland only apply to football and events sanctioned by Football Queensland, subject to the terms of the relevant policies.

The intent of this policy is to ensure events or programs hosted by FQ affiliated clubs and organisations adhere to the terms of their affiliation policies and licences and can be covered by the scope of the FQ insurance policies, and to assess the risk and football management of such events.

## **2. SCOPE**

This policy covers all forms of events including, but not limited to, activities such as:

- Gala days, tournaments, holiday clinics, camps, charity events, festivals, carnivals
- Come and Try days
- Walking Football
- Beach Football
- Summer Football competitions and events
- Non-Affiliate friendly matches
- All events involving a jumping castle or amusement ride, including end of year presentations
- Off-site club events or functions
- Alternative training activities that are not football activities
- Interstate tour permits
- International tour permits
- Participation in a sanctioned event
- Any event outside of the regular 'fixtured' football season which is not a regular football associated activity

## **3. BENEFITS OF GAINING SANCTIONING APPROVAL**

- a) Compliance with club licencing and FQ Affiliation
- b) Public liability insurance cover (subject to policy terms);
- c) Appropriate participant, referee and volunteer insurance (subject to political terms);
- d) Access to FQ Referees (subject to availability)
- e) Directors/Management insurance.
- f) Risk considerations; and
- g) Member Protection and Child Protection support and information.

## 4. AIM OF SANCTIONING

Eligible FQ stakeholders that seek endorsement to conduct an approved Football Queensland event are required to complete the online application form and provide supporting documents.

Eligible stakeholders include:

- FQ affiliated Football Clubs and/or organisations
- FQ affiliated Futsal Clubs and competitions

Sanctioned events that attract any fees do so for the purpose of covering administrative costs and insurance risk that is above and beyond normal standard football activity (i.e., week to week club competition). On top of this, for commercial sanctioning, the use of the official insurance and brand IP attracts a re-investment back into the game as a whole.

Sanctioning reflects a user pays mechanism to cover any insurance premium increases from extra activity, rather than aggregating the cost across all Queensland participants.

## 5. ELIGIBLE PARTICIPANTS

Entry into a sanctioned event is limited to eligible participants listed below:

- Teams from FQ affiliated clubs comprised of FQ registered players
- Affiliated teams of other FA Member Federations
- All participants including but not limited to players, team officials, referees and volunteers that are current fully registered participants on the official FQ Registration System; and
- All FA registered participants from outside FQ must have approval from the FA Member Federation.

Individual participants who may not currently be registered with FQ (ie not currently a member of an affiliated club), may be provided an exemption to play as a 'social player' however will be required to register with FQ as a social player and pay the associated social registration fee before they become eligible for exception consideration.

## 6. COMPLIANCE

Affiliates and organisers that fail to follow the processes, comply with the policies and/or meet the required standards outlined in this policy document may be subject to disciplinary action which includes the following:

- FQ removing the endorsement/sanction status of the event and informing all participating members including but not limited to players, team officials, referees and volunteers;
- Subject to the type of offence - FQ reserves the right to notify the event organisation; and/or reject future event applications of the applicant;
- Any other action that FQ deem to be appropriate in the specific circumstances.

## 7. POLICY DOCUMENTS

In addition to complying with relevant FQ rules and regulations, all organisers should be aware of the:

- Football Queensland Heat Policy
- Football Queensland Lightning Policy
- FA National Member Protection Policy
- Code of Conduct

Furthermore, as part of this Sanctioning Policy, clubs and participants are to ensure that they are compliant with the National Registration Status and Transfer Regulations (NRSTR).

These policies can be found on the [FQ website](#).

## 8. MEMBER PROTECTION

The FA and FQ have a duty of care to everyone associated with football and to the individuals and organisations to whom the National Member Protection Policy applies. In accordance with the National Member Protection Policy, Football Queensland must inquire into the background of those who undertake any work, coaching or regular unsupervised contact with people under the age of 18 years.

All coaches, managers, referees and any other persons in either a paid or voluntary capacity working or volunteering with children aged under 18 years (who are not exempt) must apply for a Working with Children (WWC) Check and provide current information to the club, association or organisation to which they are registered.

Only team officials who have provided a valid WWC Number or exemption card relevant to their volunteer or paid role are permitted to work or volunteer with children under 18 years of age.

For persons under the age of 18, please see the relevant Queensland Government WWC legislation.
