

MEMO 20 - 23

To: Queensland Clubs
From: Football Queensland
Subject: 2024 Governing Body Registration Fees
Date: September 29, 2023

EMBARGOED UNTIL 6PM FRIDAY, 29 SEPTEMBER

Dear Clubs

Football Queensland has confirmed that governing body fees will remain unchanged in 2024 as the implementation of Future of Football 2020+ reforms continue to deliver benefits to participants across the state.

The announcement marks the second consecutive year of no changes to governing body fees since Football Queensland reduced registration fees for the 2022 season, and follows another year of prudent financial management and significant growth in participation.

Football Queensland has been continually focused on putting downward pressure on costs, with football now financially stronger and more resilient thanks to the Future of Football 2020+ reforms and the implementation of more streamlined administration, improved commercial appeal and robust processes and policies.

2024 Governing Body Registration Fees	
MiniRoos	\$50
Juniors	\$66
Seniors	\$130

Football Australia's National Registration Fee (\$14 for Juniors, \$33 for Seniors, \$67.75 for Professional) is currently not proposed to change in 2024.

End.
