

POLICY FOR REFUNDING GOVERNING BODY FEES

POLICY FOR REFUNDING GOVERNING BODY FEES

This policy outlines the process for clubs to apply to Football Queensland for a determination on the eligibility of a refund of governing body fees on behalf of an amateur player withdrawing from playing football during a season.

Clubs are free to approve refunds that are directly associated with the services, programs or products they provide to amateur players during a season. However, clubs and other parties have no authority and are not permitted to refund any fees associated with the services provided by the governing body to amateur players.

- i. the registration status of the amateur player has been made "Active" in the National Online Registration System in accordance with the National Registration Regulations; and
 - ii. the amateur player has not participated in any form of training session (pre-season or in-season), team trials (formal or informal), player grading or selection processes, pre-season matches, practice matches, official fixtures, or otherwise appeared on a match record for his or her club; and
 - iii. the amateur player or their club has applied for de-registration via the National Online Registration System in accordance with the:
 - National Registration Regulations; and
 - Registration/De-Registration Periods notified by Football Queensland.
- (b) At their complete discretion, Football Queensland may deem exceptional circumstances under Clause 9.2(e) of the National Registration Regulations and determine that a proportionate refund of registration fees is appropriate if certain no fault circumstances on de-registration are present.

2.2 Composition of Refund

- (a) Football Queensland is responsible for authorising the refund of Governing Body Fees. Refunds will be processed within 14 business days of authorisation.

2.3 Procedure for Recovery of a Refund

- (a) All refunds will be paid through Squadi in the form the payment of registration was made, in accordance with the terms of this policy. For example: Player A registered using a credit card, when Football Queensland authorises the refund request, the monies will be returned to the credit card that was used to pay.

- (b) Any player approved to receive a refund under this policy, will have their registration status changed to 'Inactive' or 'Refund' in the National Online Registration System.
