1 COMPETITION DETAILS

1.1. General Information

- a) These rules must be read in conjunction with the Football Queensland 2025 Statewide Rules of Competition. In the event of an omission or inconsistency between these Regulations and the Football Queensland Statewide Rules of Competition, Football Queensland will determine and rule on the interpretation.
- b) This document is specific to the following competitions:
 - i) Men's Metro League Cup
 - ii) Women's Metro League Cup
- c) Clubs may nominate one team per club to participate in each of the above-mentioned competitions. The team entered will be deemed to be the highest eligible Metro Senior League team within that club. Invitational teams or teams that do not play in a season long Football Queensland sanctioned competition are not eligible for entry.
- d) A nomination fee of \$100 per team is required for entry into the competition to account for the administration and facilitation of this tournament.

1.2. Scheduling of Fixtures

- a) Football Queensland's SEQ Competitions Team will schedule all matches in collaboration with Clubs and their preferences.
- b) Football Queensland reserves the right to schedule matches on any day, time and venue in alignment with the best interests of the Cup competition and club operations. Football Queensland reserves the right to reschedule matches if required in its absolute discretion.

1.3. Rescheduling of Fixtures

- a) In the event of a clash with other scheduled fixtures, the Men's and Women's Metro League Cups will not take priority and will be rescheduled at the discretion of Football Queensland. The only exception to this rule is the Final, which is detailed in section 3.0.
- b) In the event of a washed-out Cup fixture, this will be rescheduled to the next available mid-week date based on venue availability.

2 PLAYER REGISTRATION AND ELIGIBILITY

2.1. Registrations

- a) All players must be registered and active in a Football Queensland Metro Competition in Squadi in order to participate in any fixture.

2.2. Borrowing Players

- a) Any player who is graded into any higher ranked competition than the highest ranked Metro Senior team within a club is ineligible to play in the Men's or Women's Metro League Cup. Players must be graded to a Metro Community team to be eligible to participate.
- b) Any player registered with that club that is age eligible including any Metro League players from that club are eligible to participate in the Metro League Cup.
- c) Players are only eligible to play for one club during the competition, therefore if a player changes clubs after playing in a Metro League Cup match, they cannot play for their new club in the Men's or Women's Metro League Cup.
 - i) If a club is ever in doubt over a player's eligibility, please contact the Football Queensland SEQ Competitions Team, PRIOR to adding players onto a Squadi Team Sheet.
- d) The Metro League Cup does not contribute to a player's borrowing tally. A player's borrowing limit will not be affected if borrowed from a lower age group/division.

2.3. Player Suspensions

- a) Any player who is required to serve a suspension as a result of a direct red card in a League competition fixture, must serve their suspension in the next League or Cup fixture in which that player's team plays in, whichever occurs first, until that suspension is served in full. If a player receives a yellow card accumulation suspension in a regular season competition fixture and is subsequently required to serve a suspension, they will be permitted to play in the Metro League Cup and will need to serve their suspension in their next regular season competition fixture.
 - i) **NOTE:** Any Red Card suspension incurred in a League competition fixture MUST have been incurred in the highest graded Metro Leagues team applicable to that club to be eligible for fixtures to be served in the Metro League Cup.
 - ii) For the avoidance of doubt, if a club nominates teams for multiple divisions of the Metro Leagues, only Red Card suspensions incurred in matches involving the club's highest graded team will be eligible for fixtures to be served in the Metro League Cup. However, no player may participate in any fixture whilst still under a red card suspension.
- b) Any player who receives a direct red card in a Metro League Cup Match will need to serve their suspension in the player's next competitive match in accordance with the FA & FQ Disciplinary Regulations.
- c) Yellow cards received in the Metro League Cup do not count towards the player's regular season accumulation. A player who accumulates three (3) yellow cards in a Cup, must serve a mandatory match suspension of one (1) Cup fixture.
