## Scope and Objective

- (a) The Rules of Competition (RoC) are set by Football Queensland (FQ) as the administrator of the FQ Academy State Carnival and supplement the broader IFAB Laws of the Game. They are intended to provide clarity as to the playing format for the FQ Academy State Carnival fixtures as well as the matchday procedures and disciplinary processes, if required and to be read and delivered supplementary and in accordance with the Laws of the Game as determined by IFAB.
- (b) These Regulations are to be read in conjunction with the relevant FQ Regulations, Policies and By Laws and FA's Statutes and Regulations (including National Disciplinary Regulations, National Registration Regulations and FQ Disciplinary Regulations). In the event of an omission or inconsistency between these regulations and other FQ policies, Football Queensland will determine and rule on the interpretation.

## Competition Administrator

- (c) Football Queensland (FQ) serves as the Competition Administrator for the FQ Academy State Championships. FQ will appoint an operations contact at the venue for the entire duration of the tournament. FQ will also prepare the schedule and fixture list for all matches. Each team's officials are responsible for their own game day operations.
- (d) The Competition Administrator has the authority to suspend, reprimand, caution, or otherwise penalize any players, teams, or officials who are deemed to have breached the rules of the game and/or tournament, or whose actions have brought the game into disrepute.
- (e) Football Queensland reserves the right to interpret the Rules of Competitions (RoC) in the event of any dispute. FQ Academy State Championships Managers and Coaches are advised to seek clarification from FQ if they have any doubts regarding the meaning, interpretation, or application of the RoC. Football Queensland retains the right to amend or alter the Rules of Competition at its absolute discretion as needed.
