

MEMO 30 - 25

To: Queensland Clubs
From: Football Queensland
Subject: Code of Conduct Reminder
Date: August 21, 2025

Dear Clubs

As the Finals Series draws nearer, clubs are reminded of their obligation to ensure the behaviour of all club members, including players, coaches and spectators, aligns with the [Football Australia National Code of Conduct and Ethics](#) and the [Football Australia Spectator Code of Behaviour](#).

As outlined in Football Queensland's [Three Strike Policy](#) and under the State and National Disciplinary Regulations and Code of Conduct, a club is responsible, and liable, for the conduct and behaviour of its supporters, whether they are playing a fixture at home or at an away facility.

Clubs are also reminded of the [Roles and Responsibilities of Ground Officials](#), who play an important role in helping to ensure FQ competitions are run in a safe and secure environment in accordance with Football Queensland and Football Australia Regulations.

We appreciate the support of clubs in ensuring all participants can enjoy a safe and positive football environment, and wish you all the best of luck for the remainder of the season.

End.
