The 2026 match ball allocations ensure parity within each competition and consistency from the NPL Queensland to the community competitions throughout the state.

Competition match ball allocations for the 2026 season are listed below – please note, teams participating in community competitions can use any Mitre ball of the Impel Plus standard or higher, allowing clubs additional flexibility.

Clubs who participate in community competitions only will receive a \$140.00 voucher for the purchase of any Mitre balls.
