**Date:** October 7, 2025

Dear Clubs

Football Queensland has confirmed that governing body player registration fees for all participants will remain **unchanged** for the 2026 season, keeping Queensland's footballers paying the lowest registration fees of any Member Federation in Australia.

This is a staggering achievement when we consider the volatile cost environment the sport operates in. This marks the sixth year in a row without a governing body fee increase for our Coles MiniRoos (\$50), Juniors (\$66) and Seniors (\$130), and further demonstrates FQ's commitment to keeping the game affordable and accessible for players and families throughout the state.

Football Queensland continues to see benefits from its prudent financial management and the significant Future of Football 2020+ reforms to its operational design, execution and statewide governance structures that transformed how we operated and delivered football, to ensure the sport is well placed to handle the game's evolving needs well into the future.

With careful financial management, these reforms and repositioning of the ongoing operations of the governing body, place significant downward pressure on football's complex cost environment which is heavily impacted by cost escalation and high inflationary exposure, to provide stable registration benefits to participants throughout the state.

### 2026 Governing Body Registration Fees\* (inc. GST)

Coles MiniRoos	\$ 50
Juniors	\$ 66
Seniors	\$ 130

*\*Advanced Participation licence fees, team fees (from MiniRoos to Senior community), regional registration and venue fees, Masters and other program fees will be confirmed shortly.*
