To form viable divisions, Senior Community Competitive competitions may be grouped based on location and competition groupings.

Where FQ deems viable there will be an FQPL and U23 in both Men's and Women's within each Region, along with Divisional Community competitions for men and women in each local area.

- a) Club's may only field one (1) team in a single FQPL Division. Clubs wishing to field more than one team must submit an exemption request to Football Queensland. Each request will be considered on a case-by-case basis. And the outcome is determined at the absolute discretion of Football Queensland. This outcome is considered final and not subject to appeal.

- b) All clubs participating in FQPL must hold, and be compliant with, their relevant FQPL license. Please refer to region licensing documentation for requirements to participate in the FQPL Senior competitions.

### 2.3.2.9 FQPL 3-6 | Promotion & Relegation

FQPL competitions follow a promotion/relegation system to determine the competition composition for the following year. The only exception to this is in some regional competitions where there is no promotion or relegation due to having only one division. In this instance, clubs will be invited by FQ to participate via the provision of an annual Participation License Agreement. All clubs, regardless of promotion or relegation, must meet affiliation and participation licensing requirements to participate in the FQPL. Football Queensland will determine the final composition of its FQPL competitions on an annual basis at its sole and absolute discretion.

FQPL 3 - 6 Men & FQPL 3 - 4 Women:

- a) Where two or more FQPL divisions exist in a region the 1st and 2nd placed teams at the completion of the regular season will be eligible for promotion (with the exception of FQPL 3 – please refer to 2.3.11c). With the exception of South Coast where only 1 team is eligible for promotion.
- b) The teams placed last and 2nd last at the conclusion of the regular season will be relegated to the competition below for the subsequent season where lower FQPL divisions exist.
- c) For FQPL 3 teams to earn promotion into FQPL 2 Men or FQPL 2 Women in the SEQ Region, the first-placed team in the Metro FQPL 3 Men's and Women's competition will be promoted to FQPL 2. The second placed FQPL 3 Metro Men's and Women's team will participate in a Promotion Playoff Series with the first placed FQPL 3 teams from Sunshine Coast, Darling Downs and South Coast. The playoff format, fixtures and any specific regulations will be determined by Football Queensland.
  - i. Promotion is subject to clubs meeting minimum requirements set by FQ
  - ii. Football Queensland will adjust and determine the composition of FQPL 3 Metro competitions based on the results of the above stipulated Promotion Playoff Series, noting that these leagues may feature a differing number of teams to other FQPL divisions should the number of relegated Metro based clubs from FQPL 2 not match the number of promoted clubs out of FQPL 3 Metro in a given season.
- d) As Clubs are only permitted to have one team within any FQPL division, if a team finishes in a relegation position, and the club also has a team in the division immediately below the following provisions will apply regardless of the position of the team in the lower division;
- e) The team in the division below will also be relegated to a lower division (if available). If this occurs, the team who finished 2nd last in the lower division at the conclusion of the regular season will not be relegated.
- f) If no lower division is available, the club will only be permitted to have one team which will be included in the lowest division.
  - i. As clubs are only permitted to have one team within any FQPL division, if the club's team in the higher division is not in a relegation or promotion position, but the lower division team finishes in a promotion position, they will not be eligible to be promoted. If that occurs the next placed team in the lower division will be eligible for promotion

#### PROMOTION/RELEGATION REQUESTS/ WITHDRAWAL

If one or both teams who have qualified for promotion to an FQPL competition advises that they do not wish to exercise the privilege, they must provide their reasons in writing to Football Queensland for review. If the request is granted or any other vacancy arises, Football Queensland will approach clubs to enter the competition in the below order:

- a) The team who finished 2nd last in the higher division will be offered the opportunity to not be relegated.
- b) If they decline the opportunity, or a further vacancy arises, the team who finished last in the higher division will be offered the opportunity to not be relegated.

- c) If they also decline the opportunity, or a further vacancy arises, the position will then be offered to the next highest placed team in the lower division, that has not yet been promoted, until a club(s) accepts the invitation.
- d) In the case of FQPL 2 (where a promotional SEQ playoff is executed), any vacancy that becomes available rule 2.3.2.9.c will not apply and Football Queensland reserves the right to seek applications from any other club to fill the vacancy.

In competitions where no relegation exists, or a vacancy occurs due to a team withdrawal or request for relegation, Football Queensland can, if they choose, seek applications from any other club to fill the vacancy.

NOTE: Promotion and relegation rules/procedures may be subject to change, due to variations in competition structures.

## **Senior Community Competitive Competitions**

Senior competitions will consist of FQPL and Community Competitive Competitions. The FQPL competition will be deemed the highest competition followed by Senior Divisional competitions. To form viable divisions Senior Community Competitive competitions may be grouped based on location and competition groupings.

Senior Community Competitive Divisions will be determined by FQ on an annual basis following receipt of nominations from clubs. There is no assumed promotion to FQPL from Community Competitive League Division 1. The composition of each of the League divisions will be determined on an annual basis based on a combination of the previous season's results and the nominations submitted by each club. Team nominations will only be accepted during the supplementary nomination stage where there are minimum 11 registered players assigned to the team in Squad.

Following the conclusion of Round 4 of the regular season, a club may apply to have a team regraded. These applications will be assessed, and results taken into consideration when deciding the appropriate division for all teams. Football Queensland will also assess the results of each league competition following the first 4 rounds and may seek to regrade a team based on their initial results.

Football Queensland's determination on any regrade application or regrading of a team must be followed and will be final. If a club requests to regrade from Round 5, a fee may be applicable if Football Queensland grant the request. There shall be no appeal against the decision of Football Queensland.

- a) The composition of the Masters competitions will be determined by FQ on an annual basis following receipt of nominations from clubs. Where possible there will be a First and Second Division for each age group.

Any challenge not made on two feet is to be considered a Slide Tackle. There must be a slide AND a tackle before the challenge can be penalised, but there does not have to be contact between the players. A player is challenging an opponent for the ball if the opponent is within a radius of one (1) metre of the player. These rules apply to a goalkeeper who chooses to play or attempts to challenge for the ball with his/her feet.

They do NOT apply to a goalkeeper playing or attempting to play the ball with his/her hands.

For the avoidance of doubt, it is the club's responsibility to ensure that any player deemed to require an ITC is compliant before taking the field.

- c) All players must be 'active' in PlayFootball. Once the platform opens, each participant is required to 'self register' in PlayFootball to comply with the Football Australia NRSTR's. - d) Each participant must also be active and have completed their FQ Competition Access requirements in Squadi within the required time frames, to be eligible to participate in any fixtures and appear on a Squadi Team Sheet.
- e) For an individual to be eligible they MUST upload a current, recognizable, passport style photo of themselves to their Squadi profile on completion of their FQ Competition Access requirements to confirm the identity of the individual. Any player who does not fulfill this requirement could be deemed an ineligible player for all matches they have participated in. Sanctions and penalties may apply to clubs, teams and/or individuals as per section 3.3.5.
- f) For any senior fixtures covered under this RoC, players are not permitted to 'hide' their player profile from public view on Squadi.
- g) Amateur players can register and are permitted to be registered at any time. Unless cancelled earlier, registration is effective from the date of the registration until 31st December of that year.
- h) Amateur players are not permitted to re-register with another club within their region after 30th June each year with the exception of MiniRoos. This is only applicable to players within the same region, players from another region (or member federation) are permitted to register at any time. These players may still be subject to finals eligibility clauses.

**NOTE: Players are not able to register for any FQPL competitions after 30 June.**

Players are only eligible to play in Senior Divisional, Junior Divisional and Miniroos Competitions. This only applies to new registrations. Players who register after 30 June are not eligible to be borrowed into the FQPL competitions.

### **3.3.1 MiniRoos Player Eligibility**

- a) Players must turn at least four years of age during the calendar year to register.
- b) Clubs may apply to FQ to run their own internal MiniRoos competition. FQ may decline this application in its absolute discretion, this is not subject to appeal. For further information on the Sanctioning Process, please visit the FQ website.

The decision of Football Queensland will be final on whether to allow an exception. There shall be no appeal from the decision of Football Queensland in respect of the granting of an

exception.

### 3.3.3 Player Finals Eligibility

Players in competitive age groups and divisions become eligible for finals in their respective division and higher when they have played a minimum of six (6) matches in their own division.

**Match Recording:** Appearances are recorded via the Squadi team sheet. In divisions using 'Interchange', all players listed on the team sheet are considered as played. In divisions using 'Substitution', players who are marked as having taken the field are considered as played.

**Promotion Eligibility:** Where a player qualifies by playing six matches in a division, they are subsequently eligible for divisions above it in the football pyramid, but not below. Additionally, players must meet the age eligibility requirements for any divisions they are borrowed into.

**Junior to Senior Transition:** Junior players wishing to play into Senior finals, where age eligible, must qualify for Senior finals in their own right, i.e. playing six matches for the corresponding Senior division. They then become eligible to play finals in that Senior division and any Senior division higher than where they qualified. The player will still be eligible to play in their Junior finals as long as they are qualified to play in the finals.

**MiniRoos to Junior Transition:** Miniroos players can be borrowed up to Junior competition finals if they are registered 6 weeks before the semi finals.

**Senior to Junior Transition:** Registered Senior players must remain in Senior competitions, upholding the spirit of the game and maintaining competition integrity. (i.e. U16-18) Any registered Senior players that are age eligible for Juniors and wishing to play into Junior divisions require exemption to do so.

**Primary Divisions:** Where appearances are equal in any two divisions irrespective of whether those divisions are Juniors or Seniors (including FQPL & Under 23), the player is tied to the higher division team and cannot participate in divisions below.

**Exemptions:** Clubs may apply to Football Queensland for exemption to the eligibility rules. All requests for exemptions must be made via email prior to the commencement of the Finals Series for each particular competition. Football Queensland reserves the right to declare eligible any player it deems to have satisfied the intent and spirit of these rules. The decision of Football Queensland will be in its absolute discretion and is not subject to appeal.

### 3.3.4 Protests (Ineligible Player/s)

Any club is permitted to lodge a protest regarding the alleged fielding of an ineligible player(s). An email must be sent to Football Queensland by a designated club official or contact outlining the following:

1. The details of the specific player(s) involved;
2. The specific rule(s) that the opposition is alleged to have breached;
3. Sufficient evidence (photo, video, team sheet) to support the protest;
4. Should the protest involve the allegation of a player playing under another player's name, the protest is required to include a photograph of the player(s).

Any protest that does not meet the specific requirements as outlined above will not be addressed by Football Queensland.

- a) Protests must be lodged within **14 days** of a completed fixture. After this time, all parties are deemed to have accepted the result of the fixture as it stands. In the final two weeks of the Regular Season and the entirety of the Finals Series, protests must be lodged within **48 hours** of a completed fixture.
- b) The judgment decisions of a Match Official during the playing of a Match, including but not limited to whether a goal is scored, whether a player is offside, disciplinary decisions and the result of a Match, are final. A Club cannot protest a Match Result on the basis of a decision of a Match Official, or because it has formed a view about the performance of a Match Official.
- c) In the event that the protest is upheld, the Penalties and Outcomes as per section 3.3.5 will apply. In the event that the protest is dismissed, the match result will stand.
- d) Football Queensland reserves the right to investigate a matter outside of the above timeline if it suspects that a serious and/or deliberate breach or manipulation has occurred during a fixture. Any decision to investigate a matter outside of the above timeline will be made at Football Queensland's sole and absolute discretion and is not subject to appeal.
- e) FQ also reserves the right to investigate any matter at its own discretion even though a formal protest has not been lodged.
- f) In the case of a breach that results in an ineligible player playing a number of fixtures in succession, Football Queensland reserves the right in its sole and absolute discretion to take action on the initial fixture only should it be satisfied that the breach was of an accidental nature.
- g) FQ may, in its sole and absolute discretion, elect to dismiss or not investigate any matter that they determine to be a claim or complaint instituted without sufficient grounds and serving or designed only to cause harm or annoyance to another party, or determine at any time whether no action is to be taken in relation to any matter.
- h) Any decision made by Football Queensland in relation to a player's eligibility is final and not subject to appeal.

### **3.3.5 Breaches in Player Eligibility**

If a player is found to have participated in a match while in breach of any eligibility requirements (e.g., unregistered, suspended, out of age, identity fraud, not on Squadi Team Sheet, ineligible for finals), the player will be deemed to be an ineligible player.

Consequences of playing an ineligible player;

- a) A team may lose a match on forfeit and be fined in accordance with these RoC and the 2026 Fines and Penalties Document, if an Ineligible Player participates in the match or, if at the time of the match, the team is in breach of the FA Player Roster Regulations, or Visa and Overage Player limits set out in these RoC.

- b) Any determination made by Football Queensland in relation to a player eligibility matter or the result of a match is final and not subject to appeal.

### **Overturning Match Results due to Breaches in Player Eligibility by one Team**

All overturned results will be recorded as a forfeit and the goals recorded as 3 goals to the team receiving the points and 0 by the team who has infringed the regulations, unless the goal difference for the Team receiving the forfeit is greater than 3, in which case they will receive the number of goals scored for in the match, with the forfeiting team receiving nil. Yellow Cards and Red Cards received in the match will not be expunged and will be included in player accumulation records. Goal scorer stats are retained for players in the winning team.

### **Overturning Match Results due to Breaches in Player Eligibility by both Teams**

The above Penalties and Outcomes may be applied at the discretion of Football Queensland, with additional sanctions able to be imposed if deemed appropriate.

If it is established that both clubs competing in any Football Queensland competition match fielded players who were ineligible to play, the clubs of the ineligible player(s) will be fined as per the Penalties and Outcomes above, and the following will apply:

- a) The match will be deemed as a NO RESULT, whereby, no points will be awarded.
- b) Football Queensland may suspend, expel or take whatever disciplinary action it deems necessary against the offending clubs or players.

If a Finals Series match or Cup match is declared a "No Result", Football Queensland may determine that the match be replayed.

## 3.4 GRADING, BORROWING & REGRADING

### 3.4.1 Applicable to All Competitions | Grading, Borrowing & Regrading

#### 3.4.1.1 Grading of Players: All competitions

- a) All players will be classed as graded into the team where they play their first fixture. Players can only be graded into one team at any one time throughout the season.
- b) In the event that a player is being borrowed by a team different than intended for their first fixture the club will need to advise the Football Queensland Competitions Team or regional manager by email.

**Metro Seniors & Whitsunday Coast Juniors & Seniors:** Exception to this rule is in the senior metro competitions and Whitsunday Coast junior & senior competitions, where players are eligible to play without restriction during the first 4 scheduled rounds of the season to assist clubs in the grading process of their players. After the scheduled round 4 date as per Season Calendar, players will be graded into the team where they play their first fixture after the Round 4 scheduled date. For avoidance of doubt if Round 4 is postponed due to severe weather the original Round 4 Season Calendar date will apply and the first game played after this date will be considered their first fixture for grading purposes. These matches will be included in a player's match appearance tally.

- c) If a Club has been given dispensation to have two or more teams in the same junior or senior division, players are only permitted to play for one team in that competition division. This does not exclude them from playing for other teams within the Club in other competition divisions (subject to all Player Eligibility Rules). Clubs may apply for dispensation to FQ Competitions or their Region Manager to the rule above. Once a player has played up into one team they cannot play across to the second team in the same division.
- d) If a player changes clubs during the season, then the "count" of matches played at a level does not carry over from their previous club to their new club. There is no restriction on what division a player can take part in for the new club so long as it is in line with competition rules 3.1.h. This does not include Cup Competitions where restrictions may apply if a player changes clubs – see relevant Cup Competition Rules.
- e) The onus is on the club to be aware of where their player played their first fixture and was subsequently graded. A club can enquire as to the 'grading' status of their player according to their understanding, to Football Queensland, if required.

### 3.4.2 FQPL3-6 Senior & Masters | Grading, Borrowing & Regrading

#### 3.4.2.1 FQPL 3-6 Senior & Masters | Grading of Players

### 3.4.2.2 FQPL 3-6 Senior & Masters | Borrowing of Players (Not including Finals Series)

- a) If a club has been given dispensation to have two or more teams in the same senior division, players are not permitted to be borrowed into both teams in that division. Clubs can submit an exemption request to FQ Competitions or their Region Manager for exceptional circumstances due to low player numbers. Any decision made by Football Queensland in regard to the request will be final and not subject to appeal.
- b) A team using a player from a lower division/age group at the expense of available players from their own team is in breach of the spirit of this rule and may be subject to disciplinary action.
- c) Participation in Cup Competitions does not contribute towards the number of times a player may be borrowed into a higher competition.
- d) There will be no restriction on the movement of players between FQPL and Under 23 match-day squads week in and out.
- e) **Metro, South Coast and Darling Downs Regions:** Players may be borrowed to play in higher ranked competitions but may only do so for a maximum of six (6) matches. The maximum number refers to the total number of games the player has played and not to each team they may play in. On the seventh (7<sup>th</sup>) game the player will be regarded as per section 3.4.2.4.

The exception to above rule is players being borrowed into the FQPL 3 Metro Women competition. The borrowing limit will be relaxed to 11 games for players graded to a Clubs highest divisional Metro Community Women's Team.

- f) **Sunshine Coast, Wide Bay, Central Coast, Whitsunday Coast, Northern and Far North & Gulf Regions:** Players may be borrowed up multiple divisions but must move back down one division at a time, clubs may demote a maximum of four (4) players from the previous round to a single division lower. They may not demote a player more than one (1) division in a given round. E.g. A player cannot be demoted from Division 1 to Division 3. Clubs who do not have teams in all divisions may demote the next available division.
- g) Players may play across two divisions in one weekend however the highest division will

determine where they are eligible to play the following week. The mandated order of promotion or demotion for a player will be as follows: FQPL>Divisional>Masters.

- h) **Darling Downs:** For the 2026 season the Metro FQPL 5 and its U23 competition will be deemed a higher level of competition than that of the Darling Downs FQPL 3 and U23 Men. The following borrowing rule will apply for any club that participates in the both the Metro FQPL and Darling Downs FQPL competitions.

*Players nominated in the FQPL3 team will be permitted to play in the FQPL5 competition without restriction, however*

*The player may play a maximum of 6 games in the FQPL5 team/s and on his 7th, game will be automatically regraded to the FQPL3 team/s and will not be permitted to return to FQPL3 (including finals/play off games)*

Clubs will be permitted to demote a maximum of three (3) U23 players from FQPL 5 to their FQPL 3 Senior Squad in a given week. These players will not be permitted to play in any FQPL5 (Main team or U23 team) (fixture on the same weekend and the player must be 23 or younger.

Under no circumstance will an FQPL 5 First team player be permitted to drop to the FQPL 3 team.

### 3.4.2.3 FQPL3-6 Senior & Masters | Borrowing of Junior Graded Players in Regular Season

Junior Players graded into a junior team who are turning 16 years of age (male) or 15 years of age (female) may be borrowed into Senior FQPL and Community competitive competitions in line with the below competition rule restrictions.

- a) Boys turning 16 years of age in 2026, or girls turning 15 years of age in 2026 who are registered in juniors and wish to be borrowed into senior competitions can do so but must gain permanent dispensation before being allowed to participate in senior competitions. This also applies to players wishing to play permanently into seniors.
- b) Boys turning 17 and girls turning 16 are age eligible to be borrowed into seniors but must complete an adhoc dispensation prior to participating.
- c) If a club has two or more teams in the same senior division, junior approved players are not permitted to be borrowed into both teams in that division. Clubs can submit an exemption request for exceptional circumstances due to low player numbers. Any decision made by Football Queensland in regard to the request will be final and not subject to appeal.
- d) **Metro:** Junior Players graded into a Junior team who are turning 16 years of age (male) or 15 years of age (female) may play in the NPL and FQPL First Team and Under 23 Team without restriction for the purposes of development but must first apply for permanent dispensation and be approved to participate.
- e) **Metro:** Junior players graded into a junior team may be borrowed with dispensation into Senior Community teams however, borrowing limits will apply. Players who have been listed on the Squadi Team Sheet more than six (6) times in total in any higher Junior or Senior Community Divisional competition for their current club will be regraded.

Please refer to **section 3.4.2.4** regarding rules and restrictions.

- f) **Sunshine Coast, Wide Bay, Central Coast, Whitsunday Coast, Northern and Far North & Gulf:** Age eligible junior players ([Refer to 3.4.2.3 a & b above](#)) graded into a Junior Team may be borrowed into Senior FQPL and Community teams in an unlimited capacity, however senior borrowing rules will apply.

For example: An Under 18 player is borrowed into the FQPL Under 23 team during Round 1. In round 2 the player may only be borrowed in that division, the higher division or one division lower. So, in this example in round 2 the player may return to playing for their Under 18 team without restriction but also may be borrowed into the FQPL Main team, FQPL Under 23 team or the Men's Community Division 1 team. They player may not be borrowed into the Community Men Division 2 team.

- i. The only exemption to this rule is age eligible junior girls being borrowed in the Northern region FQPL Women's and Senior Women's Community competitions. They may continue to be borrowed across both competitions without restriction.

### 3.4.2.4 FQPL 3-6 Senior & Masters | Regrading of Players

#### **Regrading of Senior Players in Senior Competitions**

**Metro, South Coast and Darling Downs Regions:** In accordance with senior borrowing rules if a senior player plays more than six (6) matches for any higher division(s), that player is no longer eligible to play in their original division including finals and will be automatically regraded to the higher division. Should the player have played for multiple divisions the player will be graded into the team where;

- i) The player has played the greatest number of games.
- ii) If the number of games played are equal for two or more teams the player will be graded into the highest of the divisions.

Once the player is regraded into a team all previous borrowed games in any higher division will remain as part of the player's borrowing tally. Should the player exceed the 6-game borrowing total in higher divisions the player will further be regraded into the higher division.

#### **Regrading of Junior Players in Junior/Senior Competitions [Metro only]**

**All Other Regions:** Due to the 4 Player Down borrowing rule regrading of players for exceeding borrowing limits will not apply.

**Metro:** In accordance with junior and senior borrowing rules if a junior player plays more than six (6) matches for any higher junior age group(s)/senior community division(s), that player is no longer eligible to play in their original division including finals and will be automatically regraded to the higher division. Should the player have played for multiple age groups/senior divisions the player will be graded into the team where;

- i) The player has played the greatest number of games.

- ii) If the number of games played are equal for two or more teams the player will be graded to the highest of the divisions.

If a junior graded player exceeds the allowable borrows and subsequently become regraded into a senior team, they will no longer be eligible to be borrowed freely into the FQPL First Team or Under 23 team and regular borrowing limits will apply from the time of regrading.

Once the player is regraded into a team all previous borrowed games in any higher Senior Community divisions will remain as part of the player's borrowing tally including FQPL. Should the player exceed the 6-game borrowing total in higher divisions the player will further be regraded into the higher division

### 3.4.3 Junior Community | Grading, Borrowing & Regrading

#### 3.4.3.1 Junior Competitions: Grading of Players

In addition to Competition Rules 3.4.1.1 the following Junior competition player grading rules (and sub rules) apply to junior players playing in junior divisions.

All players in Football Queensland competitions are required to play in their eligible age group unless dispensation has been granted by the FQ Competitions Team or Region Manager. Any dispensation request made to Football Queensland to play outside of a player's eligible age group should be made **only if in the best interests of the individual player** considering their technical, physical, psychological and social development. Playing one single age group up does not require dispensation however dispensation will apply to dual age groups.

**Metro:** U13 grading rounds count as the first fixture when grading players. Teams are considered graded to the division that clubs have nominated for grading round period.

**Regional:** Where a combined age group is required for competition viability players born in the Eligible Year of Birth for each age may participate in the competition. For example, Players born in 2010 and 2011 may play in a Combined Under 15/16 competition. Players born either a year above or below this age group must apply for dispensation to participate in the competition using the permanent dispensation request form.

**Regional:** All females are encouraged to participate in the age-appropriate girls' competition however if an all-girls competition is not available female players Under the age of 15 (born 2011) are permitted to play one (1) year down in a mixed competition and will not contribute to the playing down limit in section 4.7.2.c. ### 3.4.3.2 Junior Competitions: Borrowing of Players (Not including Finals Series)

Wherever possible, borrowing should occur from a team of a lower division within the same age group. Borrowing from a team in the same or higher division in the same age group is NOT permitted unless dispensation has been granted by Football Queensland.

- a) **Metro, South Coast, Darling Downs Regions:** Registered competition players may be borrowed to play into higher divisions of the same age group (including FQ Academy Leagues) and a maximum of 1 division lower if being borrowed into an age group higher
